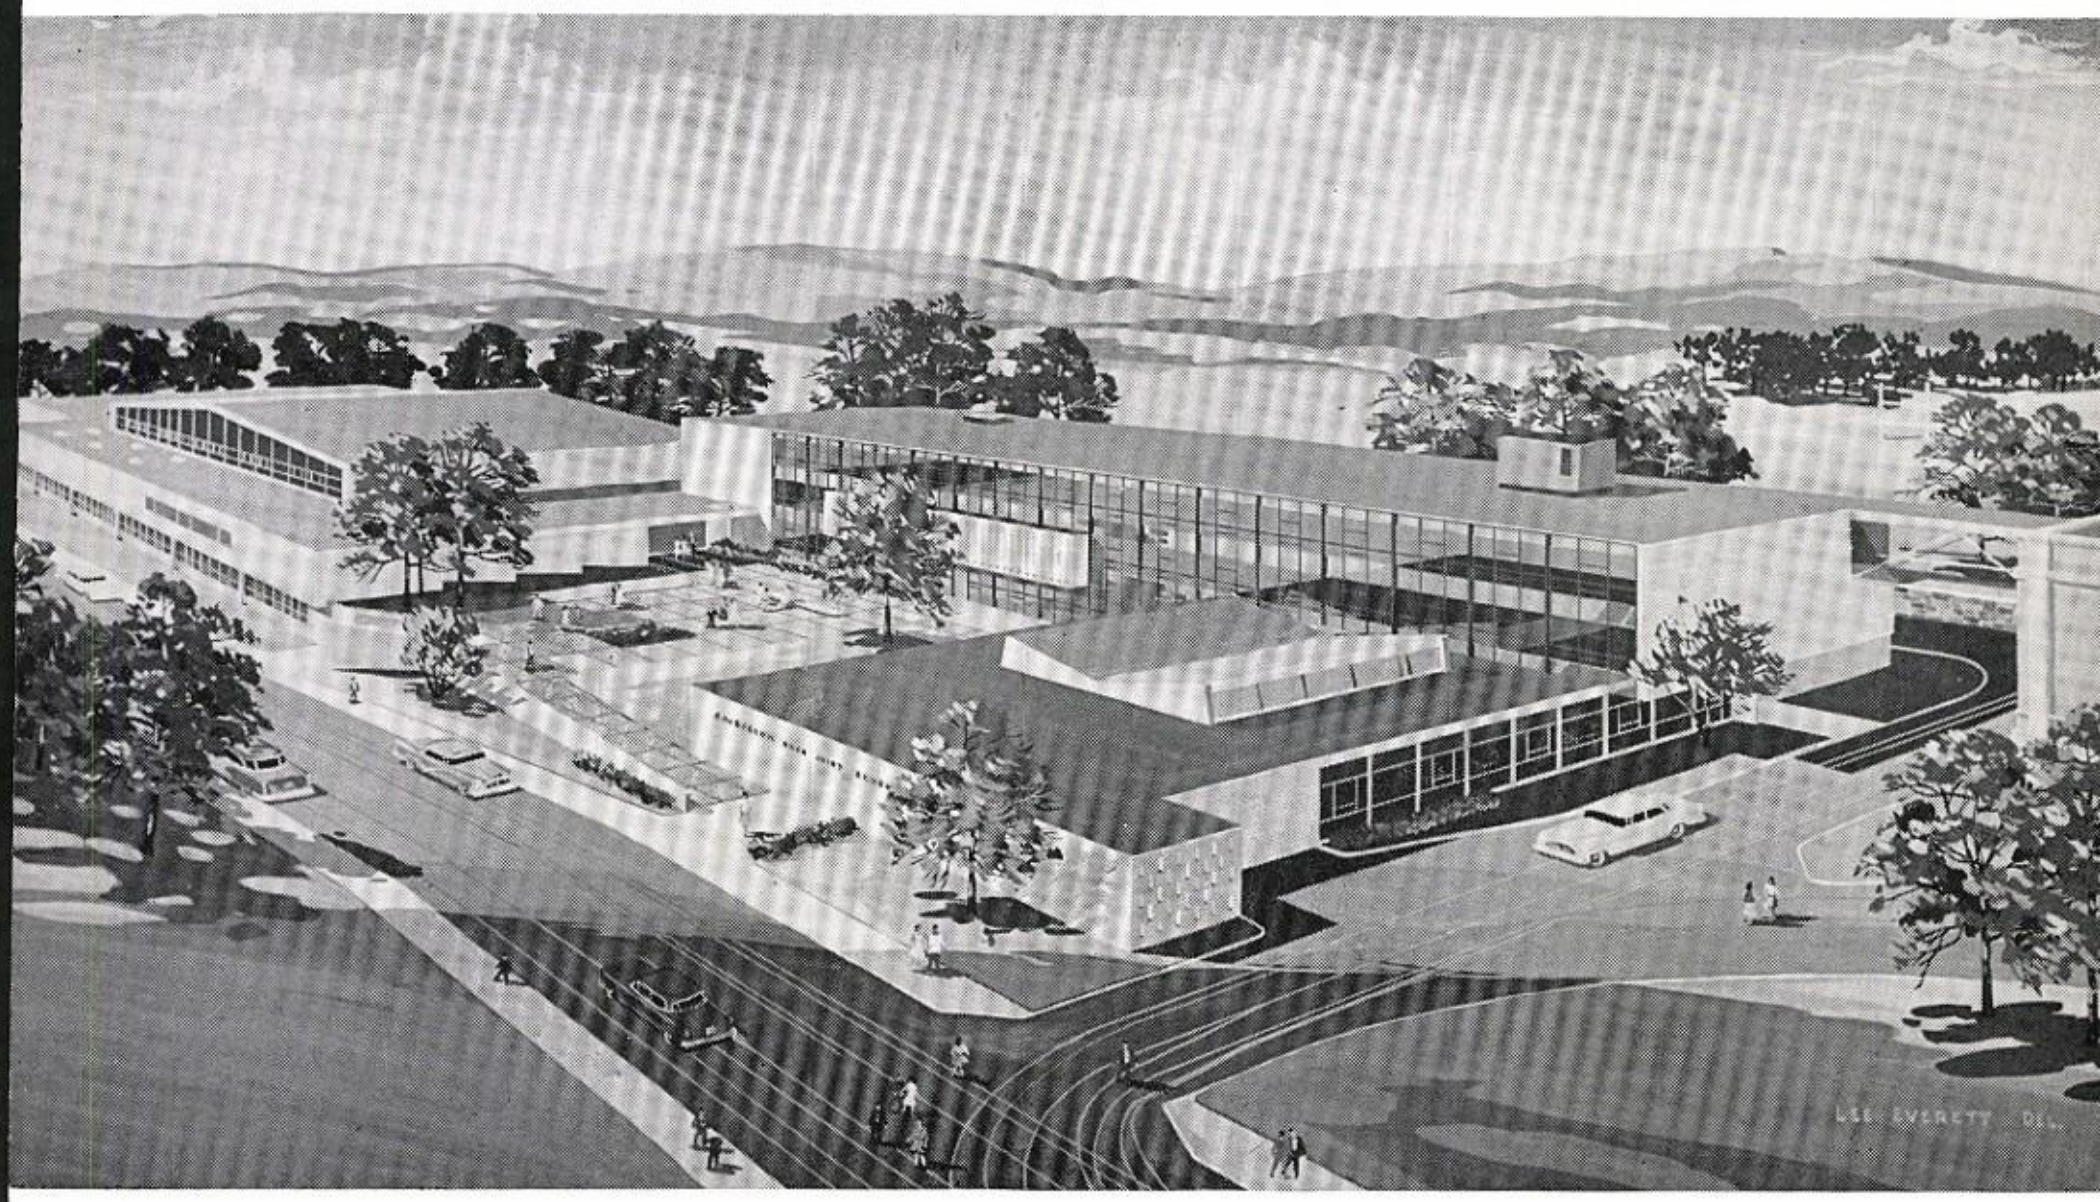
Foreword

When we entered Souderton High School, we were young and full of aspirations; quite similar to a recently planted seedling. Like the seedling, we developed steadfastly with all of the tenacity and persistence which the young invariably possess. We were nurtured on the collocation of facts and beliefs which civilizations throughout the ages have developed.

As weeds which impede the growth of the seedlings must be removed, so were the impediments which hampered our scholastic growth removed. As the seedlings develop, they become more and more firmly attached to the soil which provides a permanent foundation for them.

Our lives are deeply rooted in the education we received at Souderton Area Joint High School. This education is the seed from which we will flourish as we permeate modern man's civilization.

History of Our School



On August 24, 1875, Samuel Godshall sold to the town of Souderton a lot which is now the site of the Chestnut Street School. The first school house was a one-room building erected in 1875. The Chestnut Street School was taken over by the borough in 1888 when the first School Board was elected. The first class to graduate from the Souderton High School was the Class of 1894 which consisted of only four members.

From that early start to the present, the history of our school is a story of continuous progress, improvement, and development. The greatest step in that progress was taken when in September of 1932 the classes first met in what was then the new building on School Lane.

In 1956 a Building Committee was appointed. What was its purpose? Well, since World War II, Souderton showed an immense growth including the five other districts. We had outgrown our present school and a new one was needed. This was the reason for the Building Committee. November 20, 1957, the architect gave the signal and, after the ground breaking ceremony, construction began. With eager anticipation, we watched the new building progress through its various stages. On September 13, 1959, the Corner Stone Laying Ceremony was held. It was on the previous Wednesday, September 9, 1959, that the students first entered the school. We, the class of 1961, are proud and honored to be the second class to graduate from this beautiful building.

"The harvest indeed is ye therefore the Lord of into His harvest."

In Appreciation

The supervision of a high school is a profoundly complex operation. We of the Souderton Area District have been extremely fortunate to have received the services of Mr. E. Merton Crouthamel, who for the past forty years, has been dedicated to the public service.

Mr. Crouthamel's teaching career began as Assistant Principal in the Beccaria Township Schools in 1914 and 1915. During the following two years, he taught here at Sounderton, and from 1918 to 1919, he spent one year in the United States Army. After his military service was completed, he taught in Butler, Pennsylvania. In 1921, he returned to Souderton as Assistant Principal for one year; and then assumed his present position as Supervising Principal, succeeding Mr. A. L. Gehman.

It was during his term as Supervising Principal that the Elementary School building at Summit Street was built; the former High School building was built; and our present building was erected. Mr. Crouthamel was responsible for many familiar things around the school which today are merely taken for granted. He was responsible for the erection of the fence around the athletic field, the building of the large stands, and the installation of the floodlights. All of these things made the athletic events more enjoyable to watch and participate in. One of his more recent additions to the school was a set of driver training machines to promote better driving habits among the student body. With prudent frugality, he procured more equipment of finer caliber for our new high school with the money expended than many people thought possible. He has undertaken many jobs such as the supervision of our athletic programs, which now requires the service of several people.

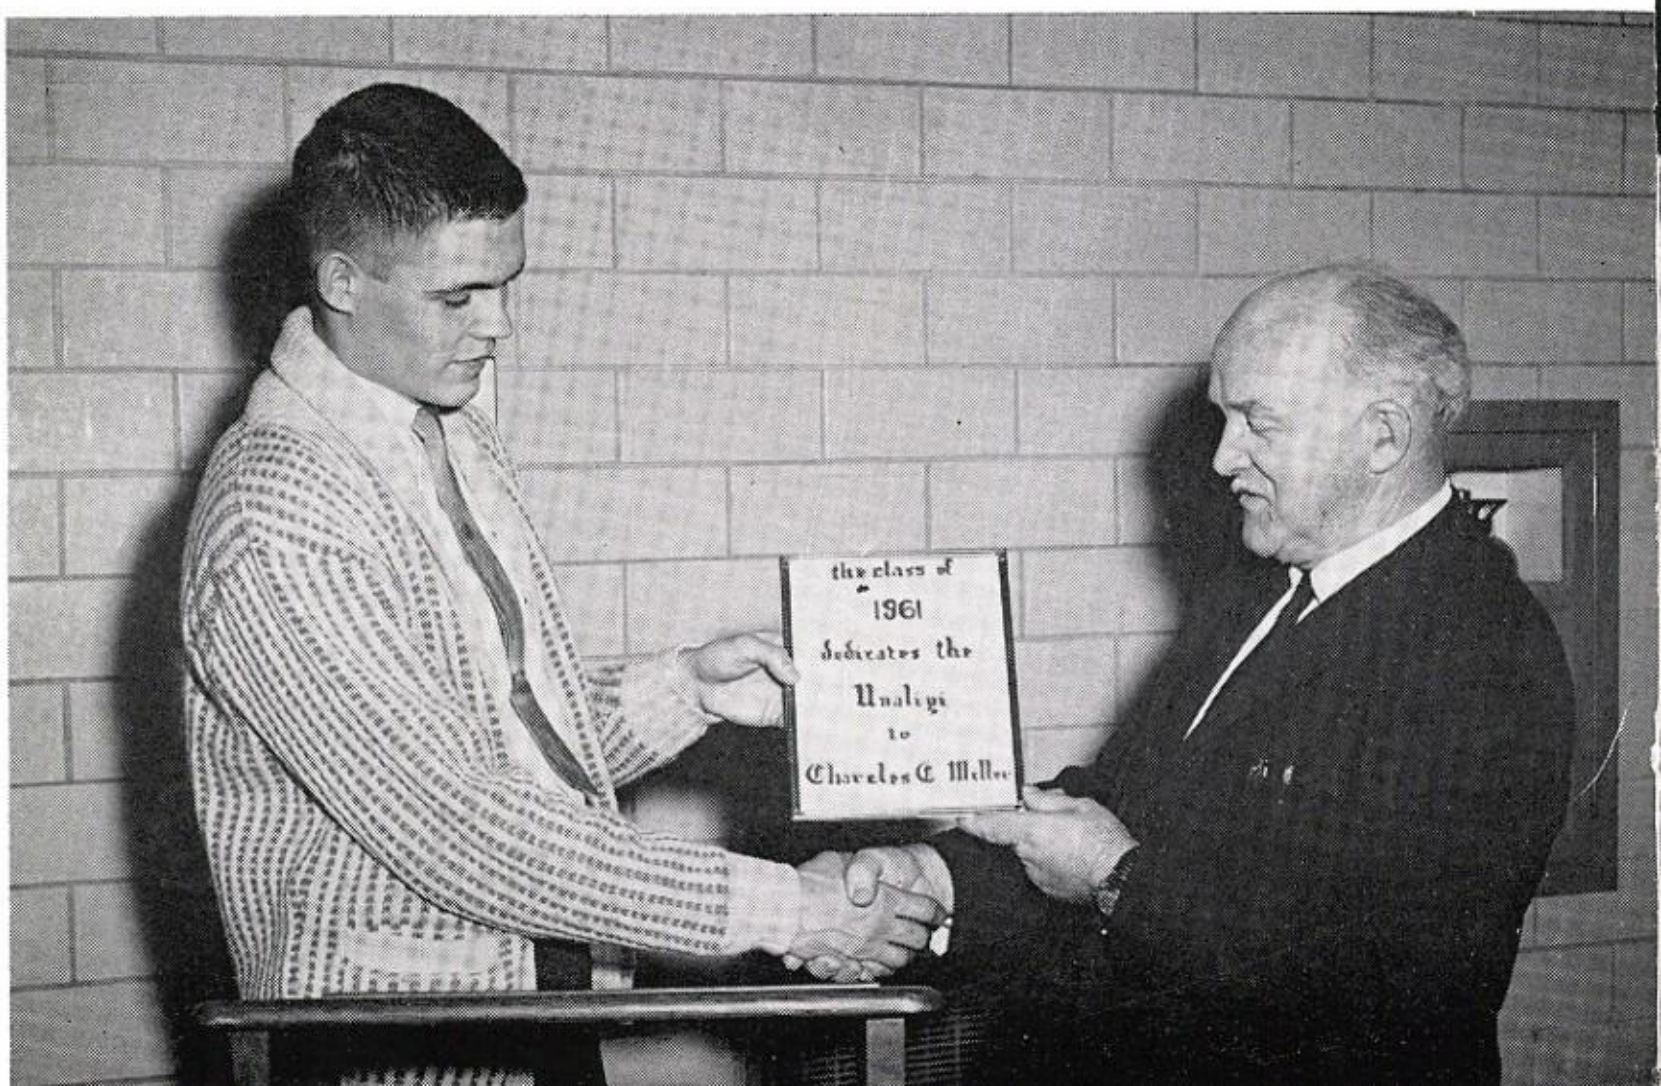
Mr. Crouthamel has seen the faculty of Souderton grow from approximately ten to our present force of seventy-seven. These years of service which we have received from him are truly prolific, and we, the class of 1961, wish him many enjoyable years during his forthcoming retirement. We are deeply grateful for the many things that he has made possible for us.

Dedication

We, the class of 1961, proudly and with great pleasure dedicate this issue of the Unaliyi to Mr. Charles C. Miller, for he has contributed much toward making us, his pupils, better citizens. He has helped us lay a firm foundation in which we can sink the roots of citizenship. And from these roots we can, with strength of character and perseverance, rise to great heights.

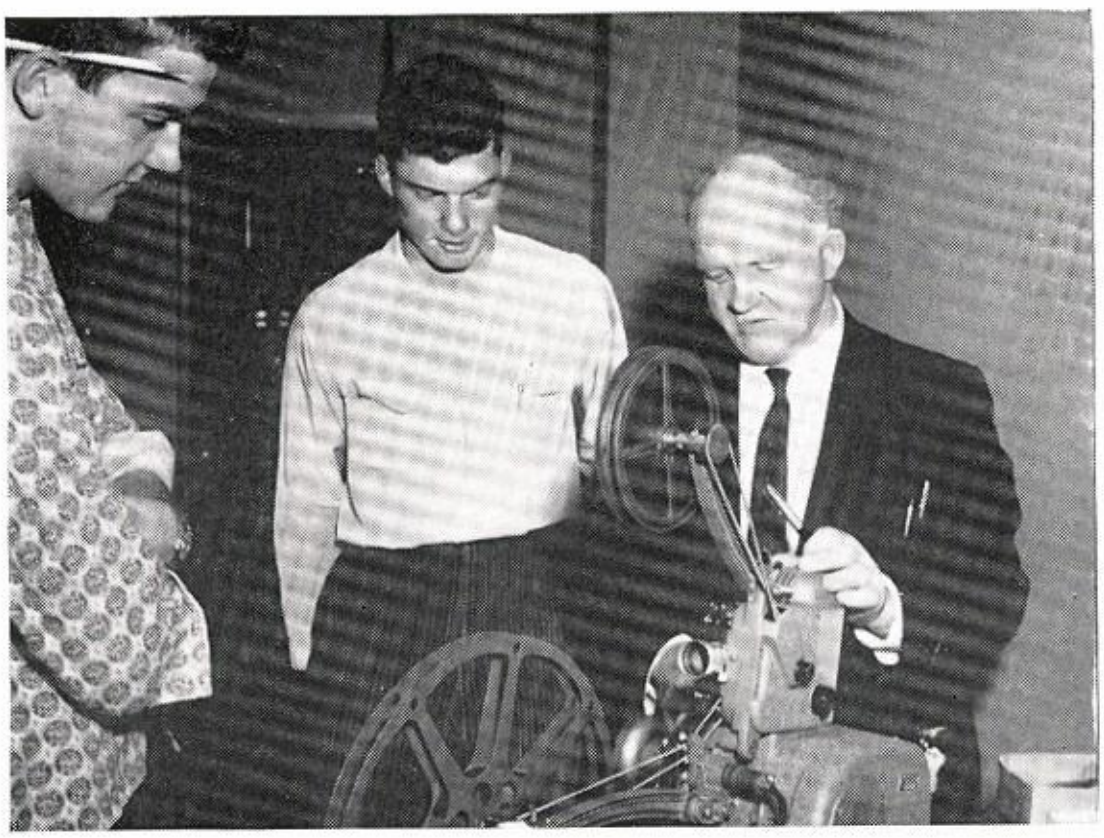
We will not soon forget his untiring and patient explanations of the intricacies of trigonometry, geometry, and algebra, and his fine work with the Audio-Visual Club in providing lighting and sound for our assemblies.

It is our hope that by dedicating this book to Mr. Miller, we can express in some small measure our appreciation and gratitude for his long and fine service to us and to our school.



Bill Godshall, Unaliyi Editor, presents the dedication to Mr. Miller.

Mr. Miller explains a geometry theorem to his class.



Members of the Audio-Visual club, Harry Sheets and Art Shive watch their advisor, Mr. Miller set up a film.

Front row, left to right: Elmer M. Beam, Willard S. Detwiler, Leverne K. Grimley, Treasurer; Ada Y. Kweder; Jules Pearlstine, Solicitor; Henry A. Buck, Charles M. Heimbach, Jr. *Second row:* Franklin Slemmer, Warren B. Anders, Paul Bittner, Fred G. Volp, Harry Gerhart, P. Kenneth Bickel, Norman Ziegler. *Third row:* G. William Crouthamel, John M. Landis, Jr., William H. Long, Dr. J. Donald Kratz, Leroy F. Musselman, Robert Shisler, Linford Shelly. *Fourth row:* Frank R. Keller, John H. Seitz, Rev. Cecil P. Pottieger, Harvey Cronrath, Norman Bergey, President; Leidy C. Nyce. *Members not on picture:* Walter S. Cassel, George Walton, Secretary; Don A. Brennan.

School Board

With one eye on finance and one on the welfare of the school, the school board conscientiously carries out their duties. These thirty civic-minded people spend many hours working over the problems of the school. Although they remain in the background, Mr. Bergey, president of the board, and the rest of the members do an invaluable job for the school.

In Memoriam

Elmer L. Hausman came to Souderton High School in the fall semester of 1960. Because the science suite is situated on the first floor, Mr. Hausman's physics room was remote from our daily courses. With the exception of students taking physics and general science, the student body was generally unfamiliar with Mr. Hausman. Though few of us had time to know him well, his sudden death deeply saddened our senior year; and with solemn regret we dedicate this page in memory of him.

Elmer L. Hausman entered Kutztown Preparatory School in 1913. He was enrolled in college preparatory courses and graduated in 1917. In 1919, he attended Franklin and Marshall College, majoring in the field of science teaching; he received his B.S. in 1922.

During the next 20 years, Mr. Hausman earned additional credits at the University of Pennsylvania, the Brooklyn School of Polytechnics, New York, and at Lehigh University, Pennsylvania. In 1942, Mr. Hausman rendered his services to the United States War Trainees Program.

At Souderton High School, Mr. Hausman taught physics and general science. His students will never forget the many experiences he shared with them, which helped to broaden their knowledge and enrich their classes. Toward the end of his teaching days, Mr. Hausman was frequently taken ill. He was finally compelled to leave his work altogether, and spent his remaining days confined to bed. Souderton High School was informed of the death of Elmer L. Hausman on February 23, 1961.

The Excursion—Book VII

In Memoriam

In order to show our deep respect and regret, we, the class of 1961, place this edition of the Unaliyi in memoriam to Daniel Schlosser.

Although we knew Dan for only a brief period, we will long remember his lanky form and his quiet, unassuming disposition. After a series of heart operations and a long stay in a hospital, his valiant spirit could not long withstand the strain and he succumbed following the third and most serious operation.

The son of Mr. and Mrs. Jacob Schlosser of Lederach, Daniel was a member of the Towamencin Mennonite Church; he was a talented artist and handyman. His hobbies included hunting and fishing, and he spent much time in the outdoors.

The preceding paragraphs are but a minute gesture, but we hope that in some small way they will express our feelings for this fine person and that they will keep alive his memory for many years.

Class Biography

In September, 1957, over two hundred freshmen began their high school careers. We were an eager, though apprehensive group, doing what we had been told must be done. Those of us planning for college knew what courses had to be selected; those desiring specific vocations knew their exact aims for life, and even fewer had foresight enough to appreciate those formative years.

As freshmen, we became a part of the high school social structure. Although obscure as inferior freshmen are, we were a part of the high school community and participated in those activities to which we were invited. At the close of our freshmen term, we selected our courses for the following year. Each term we were presented with more and varied selective subjects, and eventually, as the new school system progressed, our choice was almost unlimited.

Though technically freshmen are the bottom of the high school hierarchy, it was not until our sophomore year that we were an actual part of the senior high student body. That year also saw us experiencing half-day sessions: the only year in Souderton High School history such a schedule was presented. Being in the senior high, we had the privilege of attending the morning session, while the junior high student body had their classes in the afternoon. That was the year Souderton High School became Souderton Area Joint High School; that was the year the new high school was born; that was the year that saw a revision in the student body structure: the junior high far outnumbered the senior high. That was the year the junior high school ceased to be an insignificant part of the school, and was an impressive function in the school community.

When sophomores, we had to adjust to the presence of much older students. As young siblings, we had been aware of their presence, but now, as members of senior high school we had to work and associate with upperclassmen. As sophomores, we had to adjust to the fact that now we were the youngest group in senior high, whereas, the previous year, we had been the oldest and the ruling class.

At the beginning of our junior year, we noticed a definite change in our relationship with the student body. As sophomores and freshmen, we were new and found it necessary to follow as we learned. Then, as juniors, we did the leading. With the senior class concerned with college acceptance and admittance, many duties fell our way. Such events as the Christmas Dance and the Junior-Senior Prom were our responsibilities.

OFFICERS

Left to right: Cheryl Conrad, Treasurer; Judie Godshall, President; Fred Weil, Vice-President; Carolyn Kulp, Secretary.

To finance these events, we had the annual Pie and Cake Sale and held the record hops. As our junior year was ending, we gradually became aware that next year we would be seniors.

From freshmen to seniors! None of us felt physically different, none of us looked much different, yet we were now completely apart from the rest of the student body. We ceased to go our individual ways. We became a functioning unit, realizing that as the senior class goes, so goes the high school. A yearbook had to be written, plays to be given, and graduation plans to be made. Anxiety over college acceptances was great as gradually our futures became more firmly molded and closely fitted. In the Spring, we took the traditional senior trip to Washington, D. C., climaxing our cohesiveness as a class. On Graduation night, we terminated an era in our lives which we will never forget. We had finished the four years we shall love and cherish as our high school days.

Unaliyi Advisors

Under the new direction of Miss Malloy, the first task confronting the Unaliyi Staff was selection of editors and staffs. As editor-in-chief we chose William Godshall; Kathryn Long and Ruth Ann Godshall were then chosen to be the two assistant editors. After the selection of editors and staffs, Miss Malloy met with our entire staff and outlined the book and its assignments. Headlines were written, pictures taken, copy written and re-written, and characters and artwork drawn. "From These Roots" was the theme to be carried throughout the entire book, and it was the chore of the editors to see this was acccomplished.

While the staffs produced the yearbook, Mr. Price and his business staff handled the many problems of financing and selling our book. At a January assembly, Mr. Price and his staff presented the yearbook and announced the dedication of the book to Mr. Miller.

Few of us realized the enormous effort needed to produce such a book, and everyone concerned experienced a feeling of satisfaction and proud accomplishment when the final copy went to the presses. We sincerely appreciate the endless time contributed by our advisors, and feel confident that our 1961 Unaliyi is worthy of the credit and admiration it will receive.

Miss Malloy and Mr. Price confer with Mr. Sharp, publishing company representative, on color divider pages.

Arrowhead

Mr. Price's room, 222, is the information center of S. H. S. This is where the Arrowhead staff meets weekly to plan the news for each edition of the school paper.

The editors and staff of the Arrowhead, advised by Mr. Price, work busily each week in order to meet deadlines. They must cover sports events, new teachers, extra-curricular activities, and the daily incidents which later become "Along the Indian Trail."

For the literary-minded members of the student body, this club provides an active and informative outlet for their interest in writing.

Fred Weil, Elizabeth Hobbs, and Linda Clemmer, editors, discuss a recent issue of the Arrowhead with the advisor, Mr. Price.

Senior Band

The band, conducted by Mr. Foulke, is a superb example of the talent at Souderton. The fifty-eight piece organization, in addition to the Christmas and Spring concerts, performs during halftime at games and in various parades.

Practice is held three times a week, and their hard work is exemplified by the four people who performed in the Bux-Mont Concert.

Many thanks to this musical group who has provided so much entertainment for all of us.

National Honor Society

A relatively new organization in our school is the Souderton Chapter of the National Honor Society. This honor group is organized to create enthusiasm for scholarship, stimulate desire to render service, promote worthy leadership, and encourage development of character.

Members of the Society are chosen by the Souderton faculty on the basis of their high school records, service to the school, community leadership, and general character.

Mrs. Gerringer reviews routines with cheerleading captain, Lollie Linder, and head majorette, Judy Rosenberger.

Cheerleaders

Under the capable direction of Mrs. Gerringer, the majorettes and cheerleaders have worked diligently to boost school spirit throughout the school year. Lollie Linder, captain of the cheerleaders and her well organized group of vivacious girls devoted much time to displaying signs and leading the cheers at sports events, while the majorettes, headed by Judy Rosenberger, provide half-time entertainment at football games and perform expertly at pep rallies. These girls deserve a great deal of credit for all the work they have done.

Student Council

Under the direction of Dennis Price, president, and Mr. Maxwell, advisor, Student Council has made many contributions to the school. Besides directing traffic in the halls, they organize a bundle drive each year and collect used but good clothing. Student Council sponsors both the Football Dance, a semiformal affair to honor the outstanding football players, and the dances after the basketball and football games. Another duty which is promptly and efficiently carried out is the election of the "Citizen of the Week" award. With all these activities, the members of Student Council still manage to maintain a good scholastic average in all their work.

Under the direction of Miss Nase, the senior chorus is a standard item on any music program sponsored by the school; they also sing in various church services. The fine caliber of the chorus is exhibited by their five members who participated in the Southeastern District Chorus. In addition Sally Grasse and Frank Reath were accepted for State Chorus.

Chorus members in small groups, called ensembles, meet once a week to study techniques and vocal quality. The entire chorus, which meets three times a week, is considered a regular class. Although there is little homework, their efforts are enjoyed by everyone.

Bux-Mont Band

Every year band members from each of the high schools in the Bux-Mont League audition for positions in the Bux-mont Band. These auditions are held at a different school before a committee composed largely of the conductors of the league. After positions in the band are announced and awarded, the chosen band meets to prepare for their only concert. This concert is then presented at the school selected for that year.

Varsity Football

This year, new head coach, William Yeomans, was faced with the difficult tasks of rebuilding the team. Since there were only a small number of returning lettermen, inexperience proved to be the major problem. The team was also hampered by troublesome injuries.

Led by capable leaders: Don Gahman, Hal Riley, Art Gerhart, Bill West, and Charles Bultman, the Indians progressed steadily throughout the season. Finishing strong, they won four of the last five games to finish in sixth place with a 4-4-1 record.

Indians who received special awards were Hal Riley and Charles Bultman, who made first team All-Bux-Mont. Riley also won the Rushing Crown. Don Gahman, Art Gerhart, Brian Roshong, Fred Hepler, Vance Harris and Jack Dunn, made All-Bux-Mont Honorable Mention. Gahman and Riley were also elected team captain and Most Valuable Player respectively.

Baseball

Despite the fact that spring seemed reluctant to appear in time for outside spring practices until the beginning of May, our baseball players fought overflowing fields and poor weather to go on to a successful season.

Mr. Palmer and his returning lettermen worked in the gyms and on the field when possible to bring a strong baseball team out of the dugout. The long standing tradition at Souderton of fielding a good team on the diamond and of ending the season with a fine record was continued this year. The team provided plenty of excitement for their fans.

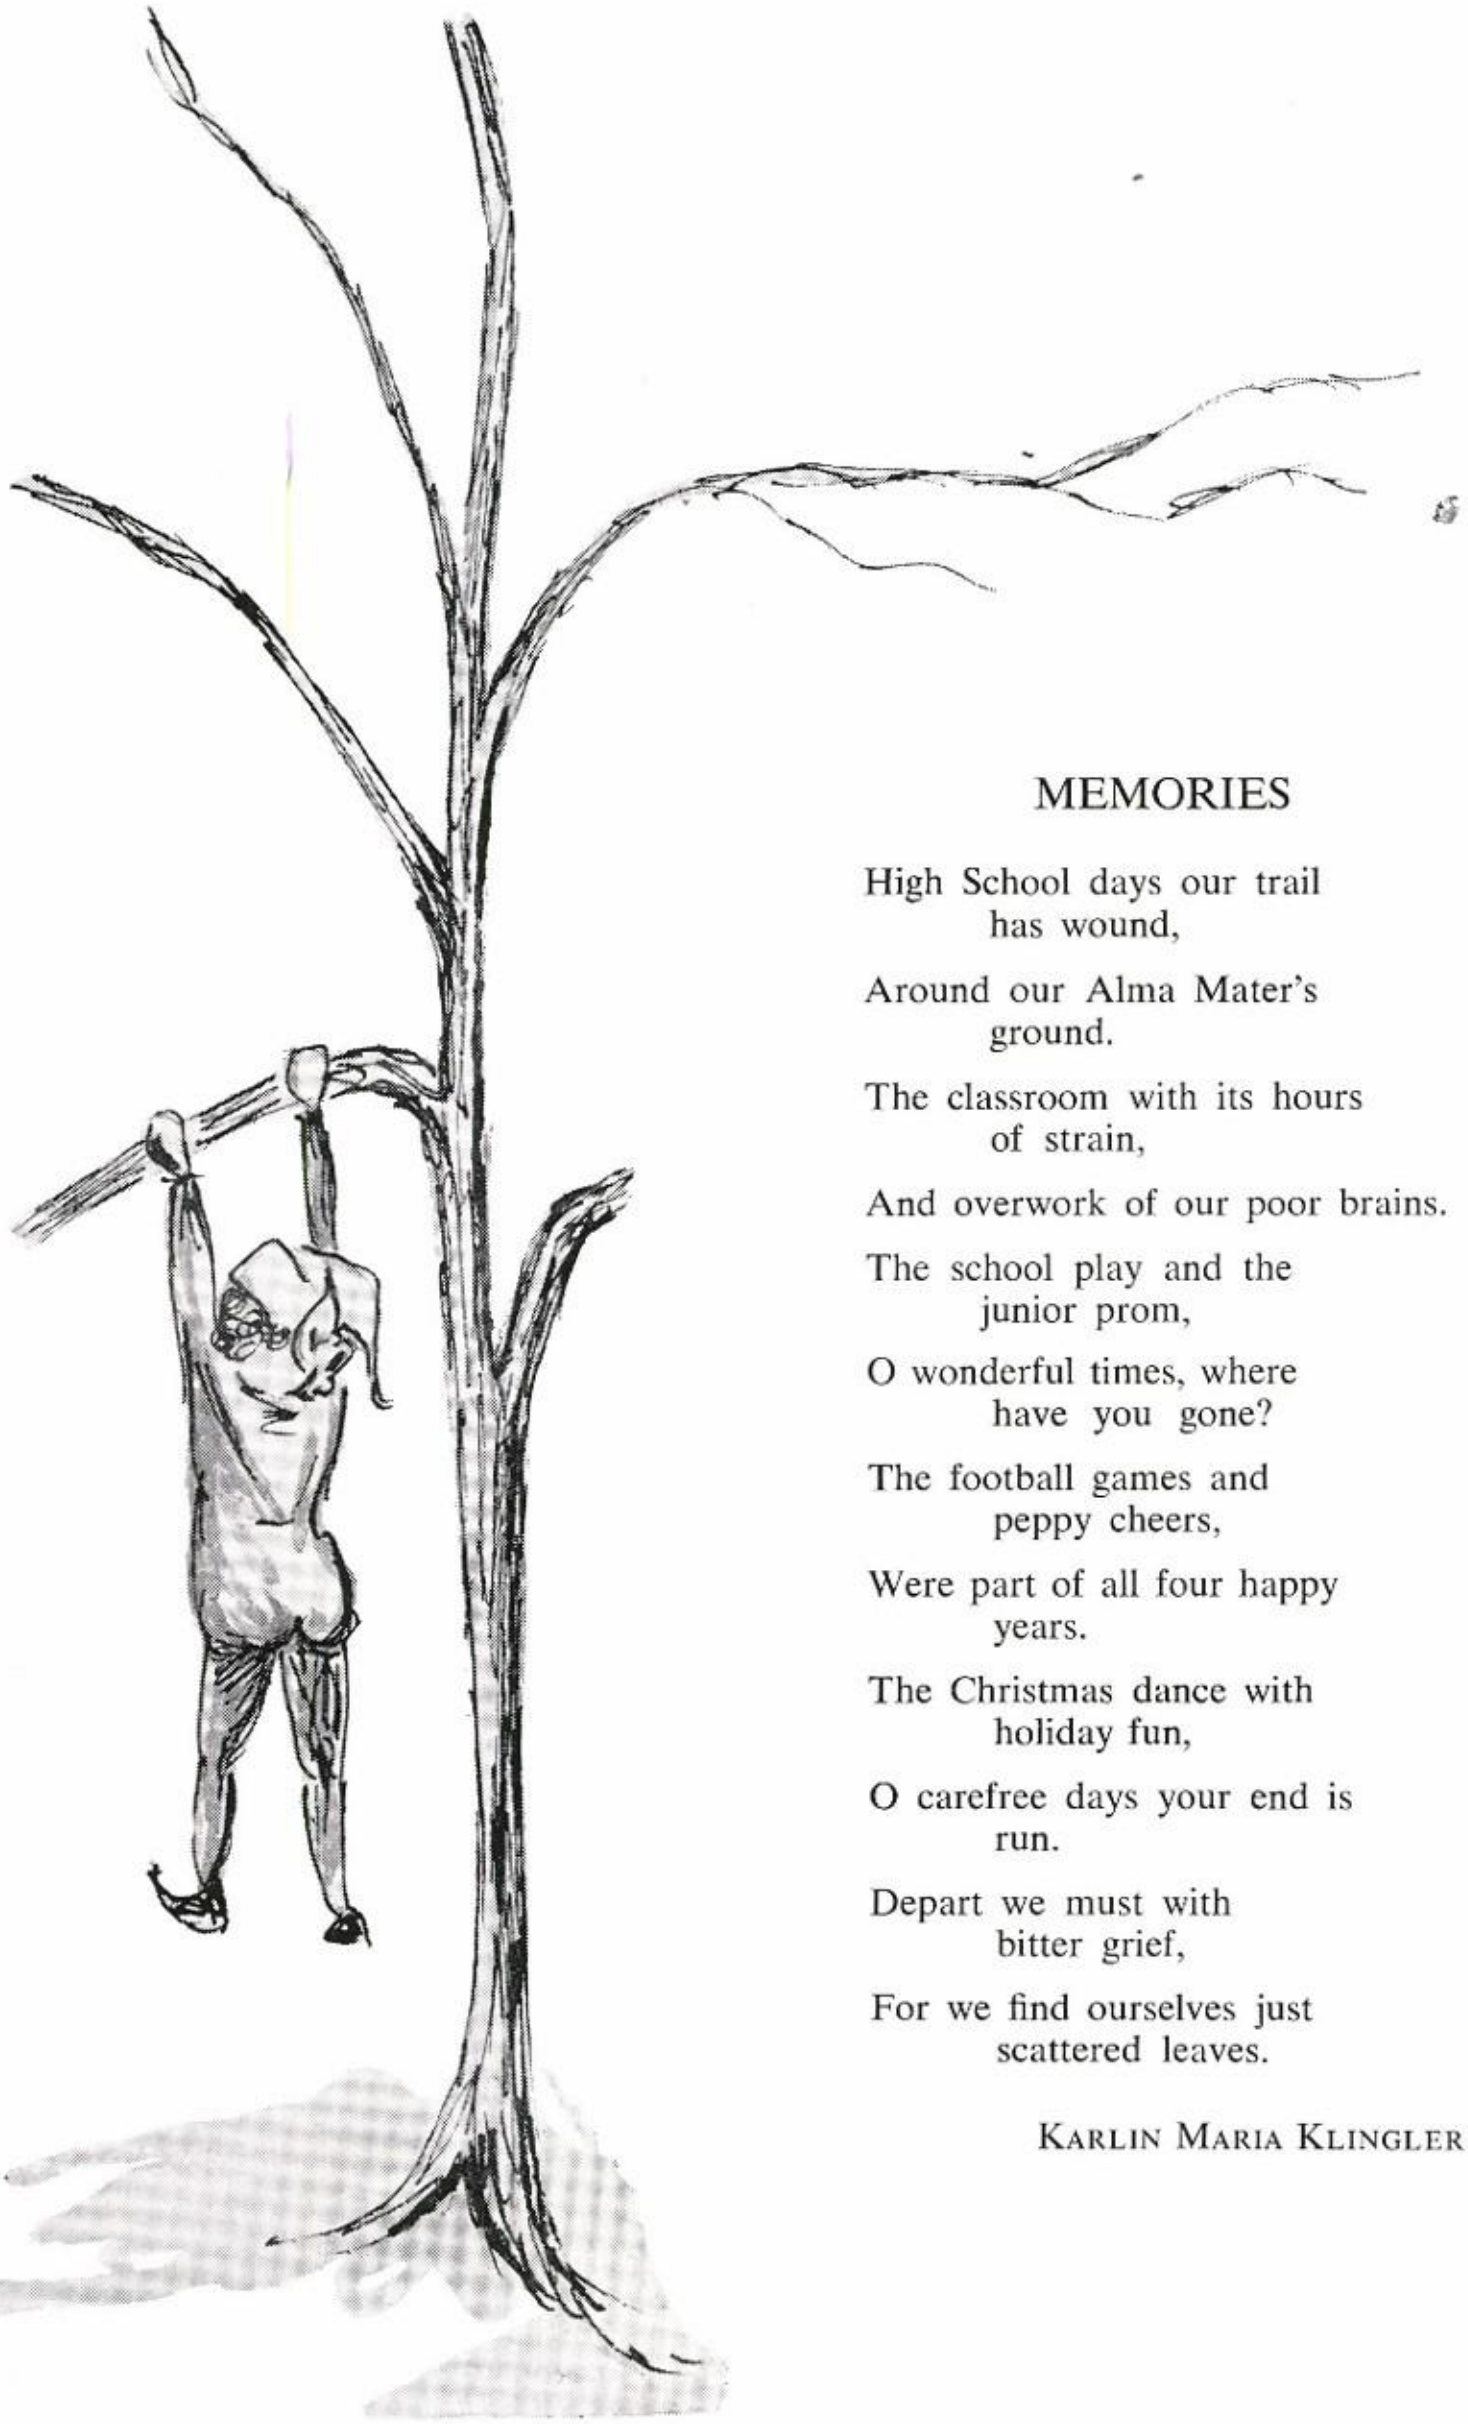
Girls' Tennis

With the construction of the new tennis courts going on, our girls began their practice sessions in Harleysville and all of the matches were played away.

Under the careful and practiced eye of Mrs. Tasca, reorganization of the team was as painless as possible and the final scores proved that the returning lettermen as well as the new team members did a fine job.

Memories



MEMORIES

High School days our trail
has wound,

Around our Alma Mater's
ground.

The classroom with its hours
of strain,

And overwork of our poor brains.

The school play and the
junior prom,

O wonderful times, where
have you gone?

The football games and
peppy cheers,

Were part of all four happy
years.

The Christmas dance with
holiday fun,

O carefree days your end is
run.

Depart we must with
bitter grief,

For we find ourselves just
scattered leaves.
